Plaintiff's Motion to Extend Time to Reply

Now comes Plaintiff, Bryan Kanu, who hereby moves for an extension of thirty (30) days - up and until 5/18 - to file a reply to Defendant's Motion for Judgment on The Pleadings.

Plaintiff seeks this extension in order to give him time to get out of the Hamilton County Justice Center (expected release date: 4/21), as well as time to draft a response to the defendant's arguments. This extension will also be used to continue settlement discussions with the Defendant; Plaintiff and Defendant were in the process of negotiating terms when, on 2/7/20, Plaintiff was remanded to the Hamilton County Justice Center for a case he was in the process of appealing to the Supreme Court of Ohio for. Plaintiff, who was unable to complete his memorandum in support of Jurisdiction - due to his incarceration two weeks prior to the memo being due (2/21/20) - is hopeful that his unfortunate situation will not also impact the legal proceedings in this case, and asks the court to grant this extension in the interest of justice.

Respectfully Submitted
